

Safety Vision Statement

Safety is our number one core value at Eagle Excavation, Inc. We are uncompromising in our commitment to the health and safety of our employees, subcontractors, customers, and the community in which we serve. We strive for continuous improvement of our processes, the demonstration of leadership, and promoting a comprehensive safety culture within our organization. We require individual accountability, expect all employees to adhere to our safety standards, and actively participate in and support the advancement of our health and safety practices. Safety is the responsibility of each of our employees, including both top management and the individuals working in the field. Everyone is responsible for achieving zero accidents resulting in a SAFE today, a SAFE tomorrow, a SAFE year, and a SAFE career.

Eagle Excavation, Inc. is committed to raising the bar for our industry and being the safest, most stable, and most rewarding place to work for the benefit of all of our employees, our customers, and the communities in which we live and serve. Together, we will WORK SAFELY and Return Home in the same condition that we came to work, every minute, of every hour, of every day.

Providing safety leadership is a fundamental part of our business and we will require individual accountability. Eagle Excavation, Inc. is committed to providing safety training and keeping our employees informed about the safety and health of our work as well as current safety issues, rules, and regulations.
